

VISUAL ARTS RESIDENCIES, MAY – SEPTEMBER 2018 APPLICATION GUIDELINES

Deadline for Applications: Friday 8 December 2017

Cove Park – Visual Arts Residencies, 2018

In 2018 Cove Park will award a minimum of three funded **Visual Arts Residencies** of between one to three months each. Artists based throughout the UK are welcome to apply to this programme.

With support from the [Bridge Awards](#), Cove Park will also offer a four-week residency for an emerging visual artist based in Scotland.

The above residencies will take place during May to September 2018. Within this period residency dates are negotiable.

Please note, international artists are not eligible to apply for the above residencies in this round. Cove Park has established an International Visual Arts Advisory Board and residencies for international artists will be awarded through partnership projects and, with support of our Board, via direct invitation.

Background

Founded in 1999 by Peter and Eileen Jacobs, Cove Park creates year-round funded and self-funded residencies across all art forms for national and international artists, collaborative groups and organisations. Cove Park is located on an outstanding 50-acre site overlooking Loch Long on Scotland's west coast (just 60 minutes from Glasgow by road or rail).

Please see <http://covepark.org/> for more information and images of the site and facilities.

Funded Summer Residency Programme

Cove Park's summer residency programme provides the time and support for artists to focus exclusively upon their own practice. The emphasis is upon research, experimentation and the development of new work. The visual artists will be part of a changing group of national and international residents specialising in a wide variety of art forms. All of the artists are invited to take part in a series of informal studio presentations, talks, screenings and dinners organised by Cove Park throughout the summer programme. Artists may also have the opportunity to contribute to 'Hands-On Cove Park' a new public educational and participatory programme of events and activities.

Facilities and Resources

The facilities and resources available include:

- High quality, en-suite self-catering accommodation
- Private studio
- Communal workspace and equipment (although Cove Park has a good supply of basic tools and equipment, including a 60-litre kiln, residents may need to bring any specialised equipment or materials that they require)
- The new Artists Centre: 72sqm devising and workshop space, meeting room, dining area, communal kitchen, library, archive, IT suite and laundry facilities
- Unlimited access to the 50-acre site.

Dates and Duration of the Residencies

The residencies of between one to three months will take place at Cove Park between May and September 2018. Cove Park will work with the selected artists to ensure that both the dates and duration of their residencies are as beneficial as possible for the artist. It is not necessary to state your preferred dates or length of residency in your application as this will be discussed with each shortlisted applicant at interview.
