PROGRAMME INFORMATION & APPLICATION GUIDELINES

Overview

The Associate Visual Artist Residency is a fully funded residency for a Scotland-based visual artist aged 50 or above and member of Cove Park's Associates programme (open to all former residents). This two-week residency is scheduled to take place from Monday 15 July to Sunday 29 July 2024.

The resident will receive a fee, a travel allowance, and a research/materials allowance.

About Cove Park

Established in 1999, Cove Park is an artists' residency based in Argyll on the west coast of Scotland. We host national and international cultural producers and researchers working in all artistic disciplines, in the creative industries, and in academic and scientific contexts. We provide the facilities, the support, and the care required for the development of new ideas and projects, collaborations, and interdisciplinary practice. Residents stay on site in private accommodation and have access to private studios, communal work and meeting space, a library, and Cove Park's 50-acre rural site. We host up to 12 residents at any one time. This means every resident can meet and work alongside individuals and collaborative groups from a wide range of backgrounds and career stages. We organise informal peer-to-peer events to promote discussion, the exchange of ideas and experiences, and the development of new connections.

Please see <https://www.covepark.org> for further information on our current programme and images of Cove Park's site and facilities. Our FAQ page answers general questions on Cove Park's residencies and access.
