Equalities, Diversity & Inclusion

We want our residencies, programmes and resources to be open, inclusive and welcoming to all. We continue to assess how we work towards achieving greater equality and representation within all levels of our organisation and across all programmes.

Cove Park aims to provide a safe and positive environment for everyone, and to actively dismantle discrimination based on age, disability, gender identity, marriage or civil partnership status, pregnancy or parental status, race including skin colour, nationality, ethnic or national origin, religion or belief, sex, and sexual orientation. Additionally, we aim to dismantle discrimination based on educational background, gender expression, hair texture and hairstyle, immigration status, language ability, markings and/or tattoos connected to spiritual rituals from pre-colonial cultural practices, neurodiversity, physical and mental health, size, and socio-economic status or background. As language, terms, and expressions inevitably evolve, Cove Park is committed to reviewing this statement regularly - and as often as it becomes appropriate - with our local, national and international communities.
