

COVE PARK

Subsidised Winter Residencies

January, February, and March 2025
Rolling Application Deadline

PROGRAMME INFORMATION & APPLICATION GUIDELINES

Overview

Cove Park is pleased to offer residencies for individuals, collaborators, groups, and organisations with their own funding to take part in our annual programme. We welcome artists, cultural practitioners, writers, and researchers – from every creative and academic discipline – able to meet the costs of a residency through, for example, the direct support of their own academic institutions or via awards from public funders or foundations.

Our popular annual programme of **Subsidised Winter Residencies** will run between January and March 2025. All residencies during this period are offered at a reduced cost (see page 3). This year, applications for this programme can be submitted at any time between 25 October 2024 and Monday 3 March 2025. Information on how to apply is given on page 4.

Residencies are self-directed and designed to ensure those taking part have the time and facilities required to develop their own work. Cove Park's small and dedicated professional team are happy to support the research and work of all our residents, and are available for informal conversations and meetings, in preparation for and during the residency period.

Site, Facilities and Resources

Cove Park is based on a stunning 50-acre rural site in Argyll, overlooking Loch Long on Scotland's west coast. We are just over 1 hour west of Glasgow by car or public transport.

The Jacobs Building is purpose-built space located at the top of the site and designed by CameronWebster Architects in 2016. It houses Cove Park's offices and communal facilities, including a library, meeting and workspace, a large communal kitchen, sitting area, and wood burning stove.

Please note, Cove Park's residencies are all self-catering. Our Handbook, provided when residencies are confirmed, details a wonderful range of local suppliers, bakers, grocery delivery companies, shops, cafés, and restaurants.

Accommodation & Studios

Applicants are invited to name the accommodation they prefer from the list below and advise Cove Park of any access requirements. Please refer to the [Accommodation & Facilities](#) page for images and more information.

- **Cubes:** 6 private live/work units, created from converted and insulated shipping containers. Each contains a double bed, desk, shower room, and small kitchen. Three of the Cubes were recently refurbished and this is reflected in the prices outlined below.
- **Oak Pod:** ideal for those working in partnership or on a shared project, the oak-framed Pod features 2 double bedrooms, 2 en-suite bathrooms (with roll-top baths), and an open plan communal kitchen and sitting area.
- **Taransay Pod:** ideal for those working in pairs or in small groups, the Pod features 2 bedrooms, 2 en-suite bathrooms, 2 small kitchens and a shared sitting/meeting room. Each bedroom can be made up as a twin, allowing for groups of 4 to share the entire Pod.

- **Jacobs Building Accommodation (Gigha, Hàslam):** units adjacent to the Jacobs Building, one of which is wheelchair accessible. Both have a double bed, desk, small kitchen, and shower room. Both units connect directly to a private studio.

Workspace

- The site has three shipping container studios (in addition to the two connected directly to the Jacobs Building Accommodation). One of the container studios has a 60-litre kiln.
- Residents are welcome to use the library and desk space provided in the Jacobs Building. In addition, The Monument Trust Room (79sqm) can be used for meetings, movement work, rehearsals, and workshops, and has a wooden floor; The Robertson Trust Room (42sqm) can be used for meetings, workshops, and screenings (this space has blackout blinds).

Equalities, Diversity & Inclusion

We want our residencies, programmes and resources to be open, inclusive and welcoming to all. We continue to assess how we work towards achieving greater equality and representation within all levels of our organisation and across all programmes.

Cove Park aims to provide a safe and positive environment for everyone, and to actively dismantle discrimination based on age, disability, gender identity, marriage or civil partnership status, pregnancy or parental status, race including skin colour, nationality, ethnic or national origin, religion or belief, sex, and sexual orientation. Additionally, we aim to dismantle discrimination based on accent, educational background, gender expression, hair texture and hairstyle, immigration status, language ability, markings and/or tattoos connected to spiritual rituals from pre-colonial cultural practices, neurodiversity, physical and mental health, size, and socio-economic status or background. As language, terms, and expressions inevitably evolve, Cove Park is committed to reviewing this statement regularly – and as often as it becomes appropriate – with our local, national and international communities.
